

50 must-have wedding photos for your album

We've seen it all (the "veil floating in the wind" photo, the getting-ready photo, the "holding hands in a field" photo), but sometimes we spot a wedding photo that really stands out from the rest. Take a look at our top 50 picks, drool a little, and then save or print this list to show to your photographer.

- A Really Good Kissing Shot
